PERSONAL ACHIEVEMENTS

- Developed an F1 in schools team to design and engineer the North West's fastest car.
- We then went on to compete at nationals placing 9th out of 1200 teams nationally, and coming short of a place at the international competition.
- This shows great ability to work and thrive in a team based setting to excel beyond expectations and succeed.
- Great ability to learn and udnerstand tecnical detail and follow instructions which is great for bartending.
